Join the Southern Ohio Giant Pumpkin Growers on Sunday, February 7, 2010 at 10:30 a.m. at the Sunroom @ The Brick for its annual Winter Seminar.

You must be a paid 2010 member to attend – please note that your 2010 membership dues of \$20.00 can be made at the registration table at the beginning of the Seminar.

Lunch (chili, peanut butter sandwich, and beverage) will be provided. Please RSVP by Tuesday, February 2nd so that we have enough food. Please RSVP for the Seminar by contacting Tony Vanderpool at 740-703-6698 or tonyvanderpool@roadrunner.com.

Special guest speakers Christy and Nick Harp, 2009 World Record Winner, will discuss what they did to grow a 1725 lb pumpkin.

Bob Liggett who grew a personal best in 2009, weighing in at 1636 lbs, will share with the group what he did differently from previous years.

We will also have a representative from RTI who will talk about RTI's product for your soil and what it will do for the giant pumpkin grower.

Pumpkin seeds, t-shirts, hats, and tape measures will be for sale throughout the seminar.

Order forms will be available for the W&A Fertilizer Program and other sprays. This year, the W&A Fertilizer Program is \$100 for SOGPG members and \$120 for non-members. Orders must be made and paid in full to the SOGPG by March 12, 2010.

The SOGPG will host two internet auctions this year. The first one will be January 22, 2010 at 8:00 p.m. on www.sogpg.com. The second will be February 14, 2010 at 8:00 p.m. on www.BigPumpkins.com. Please plan on joining us both evenings. The auctions are one of our top money makers and we need your support in order to guarantee prize money that will draw in the giant pumpkins for our weigh-off!

Mark your calendars for the SOGPG Annual Weigh-Off which will be October 9, 2010.
