

Hi!

We wanted to extend big THANK YOU! For inviting us to winter meeting in Ohio, we are very excited!

We would like to extend an offer to save on shipping costs:

If anyone is interested in placing an order, we will be happy to bring your order with us to the winter meeting.

Please make sure that all orders are placed by March 1st

- When placing an order, please browse our store website at [www.extremepumpkinstore.com](http://www.extremepumpkinstore.com), and select the item or items that you are interested in.
- Email us your list at either [sales@extremepumpkinstore.com](mailto:sales@extremepumpkinstore.com) or [tprivitera@optonline.net](mailto:tprivitera@optonline.net). We will then contact you to confirm the order and set up payments through Credit Card, PayPal, or Money order/Cashier's Check.
- We will be able to take orders until our truck is full, this hasn't been an issue for past meetings that we have attended, but, orders will be taken on a first come first serve basis.

We have several real interesting topics that we plan on speaking about that include:

- Soil Tests and Tissue test results and what they really mean to us.
- Using the test results to our advantage to promote sustained gains and healthier plants.

If time permits:

- How Humic acid can help our plants to be more efficient.
- How watering effects our plants and how nutrients are utilized.

Thanks again,

Tom Privitera
